JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 1 October 1976

1. (Confidential - REH) LIAISON Frank Slatinshek, House Armed Services Committee, called today asking that we terminate delivery of the National Intelligence Daily and instead watch for items in the Daily which would be of interest to him and send these down. I agreed to do this.

2. (Confidential - REH) [redacted] OCI, and I briefed Representative Edward Derwinski (R., Ill.) on the Liberian situation and Southern Africa. (See Memo for the Record.) 25X1

3. (Unclassified - DFM) LIAISON Called Rick Inderfurth, on the staff of the Senate Select Committee on Intelligence, to get a report on the Committee's interview that morning of Santos Trafficante. Inderfurth said Trafficante had appeared and did not take the Fifth Amendment. Under the ground rules established with Trafficante's lawyers, no transcript was taken, but the Committee did take extensive notes. Inderfurth said that Trafficante had confirmed some facts which the Committee already knew but had not offered anything in the way of new or startling information. On another matter, Inderfurth agreed to meet with [redacted] and I on 5 October to discuss several outstanding items. 25X1

4. (Unclassified - DFM) LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, regarding the Washington Star news article on CIA documents on Lee Harvey Oswald released under the FOIA. I mentioned an earlier conversation with him on this subject to the effect that these documents had already been reviewed by the Church Committee task force under the direction of Senator Richard Schweiker (R., Pa.) but I said we did have a package of the materials for the Committee's retention if he would like. Miller said fine, and I agreed to provide them Monday, 4 October.
